Fundraising has become much easier!

EasyFundraising is a way for the group to raise funds; each time you make a purchase the site will give a percentage back to the group. There are hundreds of sites that have signed up to this site for example Amazon, Tesco, Sainsburys, Boots and Thomas Cook.

Create an account; it's free and very easy.
When you want to buy something online, log on to the easyfundraising site and search for the particular site you want to visit, click on the link and you'll be taken there.
Use the shopping site as normal; the group will get the cashback from anything you buy from them.
That's it, couldn't get much easier!
